

Monica Maccaux

Designer/Art Director, Type Designer

I am a highly versatile creator, maker, doer, educator, and type designer. I design branding systems, implement campaigns, create academic programs, and design typefaces. I have over 20 years of design industry experience working for large agencies on fortune 500 client projects. I have experience in pharma, luxury hotel & casino, beauty, and sport industries working on branding, direct mail, packaging, apparel, and ad campaigns.
